TOWN OF SNOWFLAKE, ARIZONA
Notes to Annual Expenditure Limitation Report
Year Ended June 30, 2018

Note 1. Summary of Significant Accounting Policies

The Annual Expenditure Limitation Report (AELR) is presented on the basis of accounting prescribed by the *Uniform Expenditure Reporting System* (UERS), as required by Arizona Revised Statutes §41-1279.07, and in accordance with the voter-approved alternative expenditure limitation plan adopted May 10, 2016, as authorized by the Arizona Constitution, Article IX, §20 (9).

In accordance with the UERS requirements, a note to the AELR is presented below for any exclusion claimed in part II and each deduction or addition in the Reconciliation that cannot be traced directly to an amount reported in the annual financial statements. All references to financial statement amounts in the following notes refer to the Statement of Revenues, Expenditures, and Changes in Fund Balances for the Governmental Funds, Statement of Revenues, Expenses, and Changes in Net Position for the Proprietary Funds, and the Statement of Cash Flows for the Proprietary Funds.

Note 2. Reconciliation

The subtractions for depreciation and pension/OPEB expense and the additions for the principal payments on long-term debt, payments on capital leases, acquisition of capital assets, and pension/OPEB contributions are all provided in the Statement of Cash Flows for the Proprietary Funds and the financial statement footnotes. The subtraction for pension/OPEB expense is based on the calculated change in the net pension liability as reported in the Statement of Cash Flows for the Proprietary Funds.

Note 3. Exclusions

Exclusions from local revenues, including those enumerated in the Constitution, may be taken against alternative expenditure limitations only if such exclusions are specifically identified in the resolution and the publicity pamphlet. The Town's most current resolution does not specify any exclusions and therefore, no exclusions are reported within this document.
